FLAG FOOTBALL

This year's season of INTRAMURAL ATHLETICS kicked off with every sportsman's favorite game, football, organized courtesy of S.G.A. Several student-athletes signed up to participate, and, boy, — what a bunch signed up! Looking over the list of players, the following names for each team were selected . . . BASED ON WHO KNOWS WHAT CRITERIA!

THE LIMPHEADS
THE MEATBALLS

RANDOM ERRORS
RUG RATS

PAIN
ENFORCERS

The following is a pictorial account of the many confrontations between these campus gladiators. Many have survived to yet tell about them.

WHO COULD FORGET WALTER'S CLASSIC KICKING STYLE? (OR THE FACIAL INTENSITY OF THE HOLDER? WHAT A MUG!)

These are some of the truly spectacular moments of this season, captured eternally on film. Can you recognize a few of these campus superstars?

(The FBI has offered a \$5000 reward for their apprehension!)

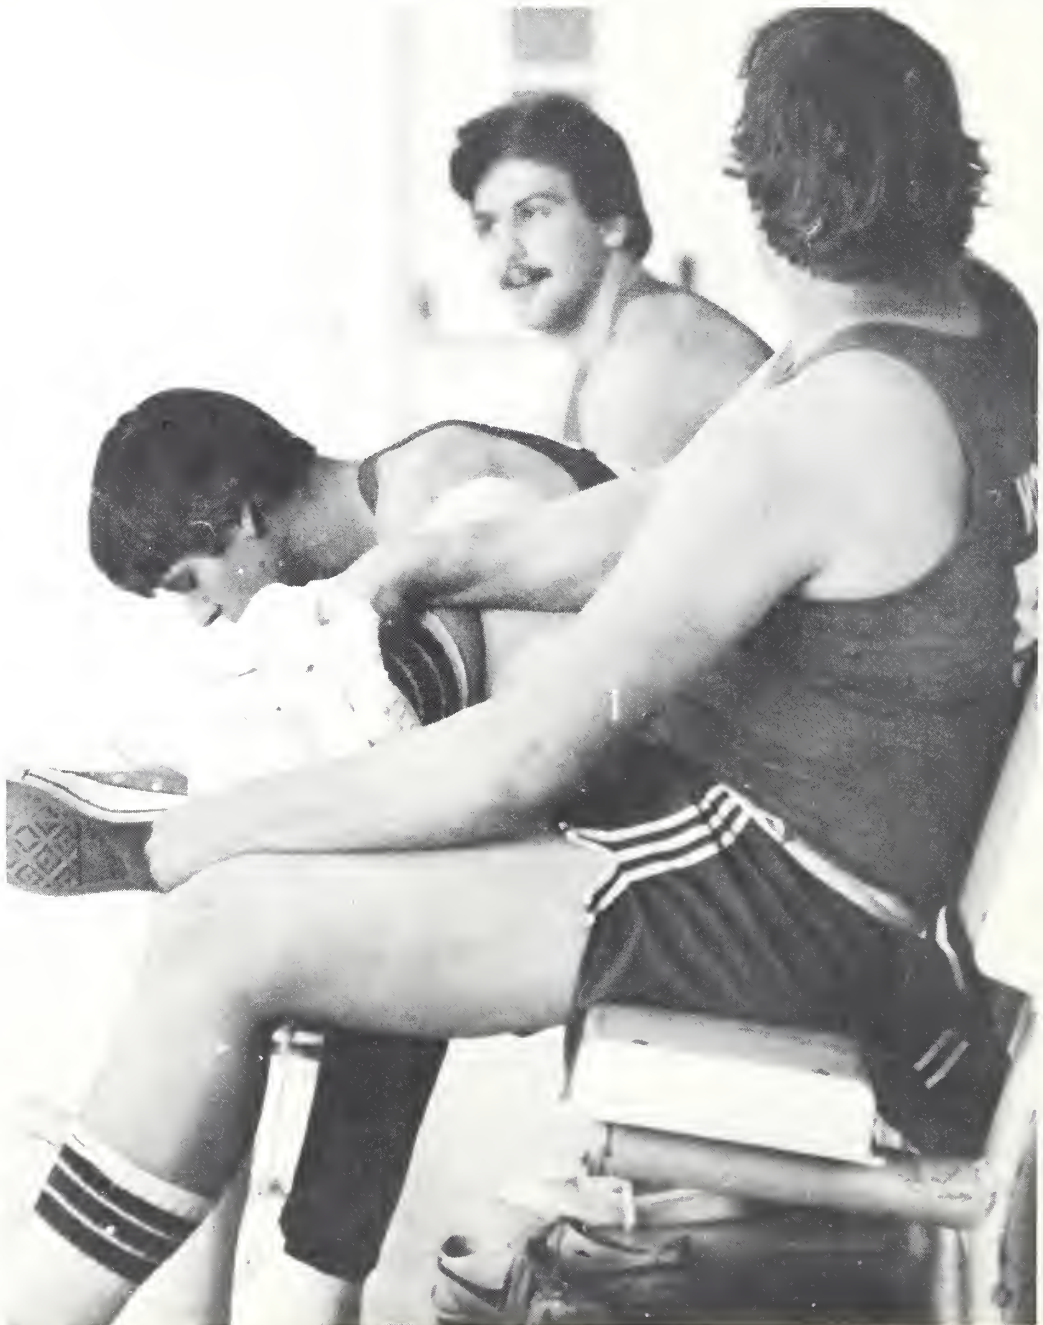

A season never to be forgotten.

Sincerely,
Deon J. Friesen
Sports Editor

BASKETBALL

This year's KTI INTRAMURAL BASKETBALL ripped off to a rather late, but nevertheless, successful start. Quite a number of would-be athletes participated this year, forming 8 highly spirited teams, including . . . the OLD MEN's team. Surprisingly enough, they, too, proved to be quite formidable opponents. This team consisted of faculty and staff members willing to stretch their legs, arms, and guts out to join in the spirit of competition. These are marked even yet by the 20 lbs. or more of weight they've taken off since semester break!

Many thanks goes to Paul Cousins for providing the format by which everyone could play and have fun. The following now is a picture portfolio of the moments captured on film.

Classic tipoffs . . ▲

Classic fouls!!▲

▲Waiting for the ball to come down . . .

Anticipation!!▲

A game for players and spectators alike . . ►

An over zealous referee takes the ball away from a player to try some of his own stuff.

▲ "Just TRY and get past me!"

Well, such as it was, this wraps up another year of KTI basketball! However, one thing all will agree — it was a lot of fun! See you there in the stands next season.

Sincerely,
Dean Friesen
Sports Editor

Now as we write this closing, we reflect back on the many good and bad memories we have of this past school year. We began the year fired up and ready to go, but now it seems to just be 'what do we do to finish this page or that page!' Even with the mistakes we made, we still feel the yearbook is an adequate reflection of the school year. The entire yearbook staff worked hard to prepare this memory filled book.

We wish to thank all of our staff for their fantastic effort and long hard hours of work. We also wish to thank our advisors for their patience and words of wisdom. The division page artwork, done by the faculty children, Virginia Budny, and Carol Beaver is also greatly appreciated. We also express our thanks to Nasa for the two cover photos.

We sincerely hope this book proves to be filled with your memories, as it is with ours, and we thank you for your support of it.

Sincerely,
Carol Beaver
and
Susan Price
